General Equipment Range

General Equipment Range

To complement BOOM Sherrin's leading range of tailored EWP solutions in the Gippsland & Tasmania regions, we also offer a comprehensive range of general equipment solutions for hire.

With equipment ranging from earthmoving diggers to electric tools & scaffolding, we have everything you need under one roof.

HIRE FLEXIBILITY

Whether your hire requirements are hourly, daily, weekly or monthly – our team is available to discuss your short or long term needs.

EXPERIENCED TEAM

BOOM Sherrin has a highly experienced team of professionals and operators who are able to offer advice and assist you with your equipment hire.

24-7 SALES & SERVICE SUPPORT

Our team is on call 24 hours a day, 7 days a week to react promptly to unforeseen project changes or equipment requirements.

ON SITE DELIVERY

We recognise the importance of reliable start dates and times on your projects, which is why BOOM Sherrin ensures reliable, prompt delivery of your order to wherever you are. For large, fixed term projects speak to your local Account Manager about tailored hire packages and on site equipment storage.

SAFE & RELIABLE EQUIPMENT

BOOM Sherrin is renowned in the industry for delivering safe and reliable solutions. All of our general hire equipment is subject to regular maintenance and servicing programs. In between maintenance schedules, mandatory safety checks are carried out on every new piece of equipment before each new job, ensuring your equipment is safe and ready for your project. Ask your local Account Manager about conducting a complementary site safety audit to assess the safest possible solutions for your projects.
